

## **I. Overall Description**

- A. A bound up, preggo Teryx, is laying on Styraco. Both of her hands are unbound. Styraco's cock is up her ass, and he's grasping one of her tits from beneath. Her head is turned to suck on Brachio's cock. Try and define someof the foreskin as her beak is straining around the member. She's pumping Rex's cock and his load is being blasted over her front. Brachio is losing it down her throat and she's forced to take it all down.
